Director's Meeting

Monday, 22 October 1951

The DCI mentioned the fact that for the time being we had lost our fight on the Hill for a building. This can be brought up again, however, in January. The DCI asked Mr. Wolf to be sure that drawings were prepared for a simple and austere building.

Mr. Wolf stated that we will take possession of the skating rink on Wednesday. It will be some time, however, before it has been altered for occupancy.

Mr. Wolf reported on a long budget discussion in regard to COMMO on Saturday. He will give the DCI a memo later in the week.

Col. [] asked whether the DCI would see [] today. The DCI said that this was impossible; that he might possibly see him later on. Col. [] has a memo of background material which he will hold for the DCI.

Col. [] read a list of future visiting members of foreign intelligence services and made note of those that the DCI would see.
